Here are some of our favourite new hair and beauty discoveries this month

JANE IREDALE

GREATSHAPE EYEBROW KIT, £86

Sometimes getting your perfect eyebrow shade from a product can be tricky, but this handy new kit from Jane Iredale ensures that each user gets a personalised shade, by mixing the botanical brow wax and a pigmented brow powder. The result? Natural looking, perfectly groomed brows. And sophisticated packaging too. We love.

NATURAL DERMATOLOGY

ACNE EXFOLIATOR, £15

Developed by former acne sufferer Jordan Marc Sully, this product not only helps to banish blemishes, it's also kind to skin and smells great! Containing coconut oil and frankincense, it gently de-clogs skin and banishes impurities without being harsh and abrasive like many exfoliators. And, with anti-inflammatory properties, it's great for calming skin too.

RECOVER

CORRECT & CONCEAL RED, £85

Many concealers work to hide under eye shadows or facial blemishes, but ReCover's range has been specially developed to correct skin redness. Yellow-based pigments neutralise red tones in the skin, while concealing. Now available in shade O-Very Light, this is great for using on the go and for covering any unwanted redness.

HYLAMIDE

HA BLUR, £18

Not only does this new product hydrate, plump, minimise pores and blur, it does it all without the help of silica, which can cause the skin to absorb hydration and oil. Just add a little of this finisher to skin after applying makeup for an instantly flawless look – like an Instagram filter for your skin!

BOBBI BROWN

NUDE FINISH TINTED

MOISTURIZER SPF 15, £29.50

This gorgeous skin tint and protective moisturizer, delivers sheer coverage that makes redness and unevenness disappear, while hydrating and refreshing skin at the same time. Great for when you want glowing skin without the hassle of foundation – just smooth on, glow and go!

ILLAMASQUA

MASQUARA GAIN, £20

As well as giving you gorgeously long, defined and volumised lashes, due to the natural walnut extract in the formula, Illamasqua's new mascara progressively dyes your eyelashes. After just two weeks of use they'll be darker, even when you're makeup-free. The perfect holiday-prep product.

ROUGE BUNNY ROUGE

RAW GARDEN ANTIGO EYE

SHADOW PALETTE, £49

Enriched with argan oil, this eyeshadow sits beautifully on the skin and can be used wet or dry to create your desired look. The natural shades are great for everyday wear, and will flatter most skin tones while enhancing your eye colour. We also how this palette is packaged – beautiful outside as well as in.

ELEMIS

BIOTEC SKIN ENERGISING NIGHT CREAM, £85

Part of the biggest launch from Elemis since their Pro-Collagen products were unveiled 13 years ago, this new Biotec night cream revitalises the skin while you sleep. Enriched with calcium PCA, this clever cream adapts to your skin's needs and leaves you refreshed, hydrated and replenished.
