

GET THE LOOK

CELEBRITIES ARE ARMED WITH STYLISTS AND HAIR AND MAKEUP TEAMS TO HELP THEM GET THAT PERFECT LOOK. YOU CAN RECREATE THESE LOOKS YOURSELF BY FOLLOWING THE SECRETS OF THEIR GLAM SQUADS.

CHARLIZE THERON

HER DRESS

Charlize's velvet, satin and sheer Givenchy dress by Riccardo Tisci is the perfect mix of haute couture and sophistication with its red, wool lining that peers out the back.

HER MAKEUP

"Charlize wears a fresh pink lip and peachy-pink cheeks. Recreate this look with peach blush, shimmery lavender-gray shadow, black mascara and liner and apricot-pink lipstick," says Jo Levy, director of artistry for Rouge Bunny Rouge.

HER BAG

The sleek lines of her oversized, crocodile Saint Laurent by Hedi Slimane Courtney Clutch play off the cut of the dress, creating a uniform look.

HER HAIR

Charlize's stylist Enzo Angileri was inspired by the dress and wanted her hair to mimic it. He blow-dried her hair straight, followed with a straightening iron. "I pushed her part really far. When recreating this look, wear the part low and to the side."

HER JEWELRY
