JESSICA ALBA

HER DRESS

Jessica pairs a white Piece d'Anarchive Knitted Strapless Bra top with a flared Kenzo Double Face Jersey Yellow Skirt. *Top, \$400, piecedanarchive.com; Skirt, \$616, kenzo.com*

HER HAIR

For a playful take on a glam look, celebrity stylist Davy Newkirk created loose waves by blowing out her hair with a large round brush, curling it and gently brushing it out (an easy look to do yourself!).

HER HANDS

As for her nails, Sarah Gibson Tuttle of Los Angeles' Olive and June nail salon says, "Jessica's bright coral color is perfect with her dress and shoes. It makes a statement without going over the top." Her edgy jewelry toughens up her girly style. *Derek Lam & Jamie Wolf for NYC Ballet Theme & Variations Ring, \$820, jamiewolf.com; Rona Pfeiffer Diamond Lace ring, \$1,600 and Kahalo Cage ring, \$940, shopcurve.com*

HER MAKEUP

For makeup like Jessica's, Levy suggests a medium rose creme lipstick topped with gloss, metallic bronze on the eyes, black mascara, a sweep of warm terra-cotta blush and highlighter on the cheeks.

HER BAG

An oversized yet simple Narciso Rodriguez (heart) Bottletop black Jessica clutch plays off the darkness in her shoes, creating contrast. *\$1,000, bottletop.org*

HER SHOES

The geometrical patterned, black and white woven fabric of Jessica's Jimmy Choo ANOUK pointed-toe pumps complements her bag and pulls the whole look together. *\$595, Select Jimmy Choo boutiques*
