*Have wine. Will travel. If she prefers her wine on the go try Nuvino.*

**6. Nuvino** (\$3.99 each) is a new line of premium single serve wine in a pouch from vineyards around the world. Now you can enjoy a full glass of wine anywhere, at any time without opening an entire bottle; it's light, portable, unbreakable and re-sealable. It also offers the opportunity to experience premium wines from around the world such as their Red Blend from Australia, Malbec from Argentina, Sauvignon Blanc from Chile, and Chardonnay from South Africa. Nuvino is easy to drink, no corkscrew needed, just simply drink it from the spout or pour the wine into a glass and enjoy.

PreservPak is Nuvino's "secret weapon". This technology enables their wine to handle any adventure you throw at it. More importantly, it locks in and preserves their four distinct wines for up to 18 months while imparting no flavor profile of its own.
